**Aviation Museum of NH
Brick Campaign**

Founded in 1995, the New Hampshire Aviation Historical Society changed its name to the Aviation Museum of NH in 2014. We are a nonprofit organization whose mission is to preserve New Hampshire aviation history through dynamic and hands-on exhibits and programs. We engage the public through learning opportunities in aviation science and technology. The museum offers a unique cultural experience, that inspires aviation enthusiasm in people of all ages.

You can help build this foundation and memorialize someone special by contributing to our brick campaign. All funds received will help strengthen the museum's ability to fulfill its mission and serve its members.

Each brick will be engraved with a message of the donor's preference. Personal messages only, no advertising allowed. These messages will be a maximum of 14 characters per line, with a maximum of three lines. Bricks will be installed in areas outside of the Circle of Legacy, along the walkway.
